Dear Mr De Groot

10/07/2023

On behalf of the President, Ruth Denyer and members of the Council, congratulations on becoming a **Fellow of IIRSM** and becoming an integral part of a distinct network.

It is a great achievement, and as a Fellow, you demonstrate your professionalism and expertise, receive respect from your peers and show your commitment to giving back to your profession.

You can now use your new designation **FIIRSM** after your name. Please find enclosed your new membership certificate and card. You can also download your new Fellow logo to use on your digital communications from your MyIIRSM account.

We very much look forward to working with you to promote and share best practice. There are many opportunities to get involved and impart your expertise to help others, whilst at the same time continue to develop your own skills and knowledge. As we know, there is nothing as constant as change, so we never stop learning.

Below are just some examples of how you can get involved:

- Contributing to IIRSM technical output and producing good practice guides.
- Supporting our Emerging Risk Leaders' network, helping to develop the next generation.
- Speaking at events, delivering webinars and presentations.
- Writing and contributing content to The Sentinel.
- Becoming a mentor to help and support others.
- Joining working groups and panels supporting IIRSM initiatives.

If you are interested in volunteering and getting involved, please do get in touch with the membership team on membership@iirsm.org

Once again, congratulations and we look forward to hearing from you soon.

Kind regards

Phillip Pearson
